United

Kingdom

- There are 15! National parks in the UK I can't wait to see them all.
- A good thing is there are no active volcanos.
- It's a great place to meet new people because the population has more then 63 million people!
- There are so many places to see because it's the 80th largest country.
- You can always climb a mountain! Ben Nevis is the tallest mountain.

UK history?

Ive always been so interested in the British museum because it's the most visited place in the United Kingdom.

One of the most interesting places is the Tower of London it is the mid evil castle and the home of the Crown Jewels.

A great place to visit is Big Ben its London's greatest timepiece

Something you'd want to look into is Stonehenge is one of the biggest mystery's in all of UK history

The United Kingdom is one of the oldest country's, it was first crated in the 10th century.

Culture

- The uk is known for having a more richer economy.
- You should visit the capital early city of the United Kingdom it's London
- We have it easy there are 5 types of elections in the UK
- You can learn a new sport its really fun its called cricket
- You should stay there for halloween one year its spooky but not quite the same

What do you like best about this country?

- I really like all the different mysteries of the UK.
- The builds and the history are some of the most beautiful things you will ever see.
- I love some of the singers who live in the United Kingdom.
- I love how different the holidays in the United Kingdom are.
- British television has a longer history than ours does.

How does Fishers Junior High benefit from having families from this country as a part of our school and community?

- This is a good benefit because we get to see other people from different countries when we are really young.
