HOW DOES FISHERS JUNIOR HIGH BENEFIT FROM HAVING FAMILIES FROM THIS COUNTRY AS A PART OF OUR SCHOOL AND COMMUNITY?

- Here is how fishers junior high benefits from having people at fishers junior high from all around the world. It benefits because we can get to understand their culture if they would share. It also benefits because then we can know what different people's home lives are like and how they live. I think that is really cool how we can learn about other countries from people that are around us and go to are school. That is how fishers junior high can benefit from having people all over the world go to this school.
