

Canada

By Zachary LaRoche

My country is in the upper area of North America

- Some geological features of Canada are the Niagara falls, which is on the edge of Canada and the United States.
- there is Haffner Creek that is in Kootenay National Park. In the winter time there are big ice pillars.
- There is Mount Asgard which is a 2015 meter tall twin peak mountain.

- Moraine Lake is found in Banff National Park and is 1,885 meters high.
- Ice caves are caves full of large ice walls that only professional should climb.

Some interesting facts about Canada's history

- Newfoundland was England's first colony in the Canadian region
- Canada didn't gain full independence until 1982
- France lost control of Canada in 1759
- During the revolutionary war Canadian cities took in loyalists.
- In 1867 England combined Canada, Nova Scotia and New Brunswick into Canada because it was cheaper

Some interesting facts about Canada's culture.

- The Canadian culture is mixed between French and English
- Canadians enjoy watching hockey and playing hockey
- Canada day is a day that Canadians celebrate the anniversary of the Canadian confederation
- Boxing day is a day where you get the day off if you must go back to work and you get paid
- Victoria day is a day that is always a week before memorial day in the united states, it marks the day that the Canadian summer starts

What I like best about Canada.

- I like that there are a lot of national parks to go camping and hiking in.
- I like that there are a lot of mountains to go skiing on in the wintertime
- I like that there is free health care in Canada
- I like that there is a lot of beautiful scenery in Canada
- I like that people in Canada are nice a polite to each other

How does Fishers Junior High benefit from having families from Canada as a part of our school and community?

- It benefits our community in a positive way by giving our community more diversity and they can help share what their culture is like.
