Germany

Where is Germany?

- My dad told me there is some very cool hills/mountains there.
- Germany is a country of variety as it has rivers and seas.
- Germany also has some river valleys.
- The tallest mountain is almost 2 miles tall.
- Germany also has glacier formed lakes from the late ice age.

my mom took these photos in Germany

This is Mainz a city of Germany with cobblestone roads.

What are some interesting facts about Germany's history

- The Marksburg castle shown here was built in 1117
 - It was also used as protection rather than residence for the royal family.
 - The castle is on the Rhine river and in the city of Braubach
 - There are about 20,000-25,000 castles in Germany alone.
 - That makes Germany the country with the most castles.
- Pictures

What are some interesting facts about Germany's culture?

- About 60% of the population believes in god
- 37% have no religious beliefs
- 91.5% are German
- 2.4% are turkish
- The other 6.1% are made up of Greeks and Spanish and other nations.

What do I like best about Germany?

- My dad was born and grew up in Heidelberg Germany.
- It looks really beautiful there
- My mom goes there for work every year to buy art
- It has lots of castles
- Its culturally diverse.

How does Fishers Junior High benefit from having families from this country as a part of our school and community?

- It gives us a chance to learn about other peoples beliefs and culture.
